For International Cotton Company. A new boller and a new water wheel has arrived at East Killingly for the use of the International Cotton company, which is one of the growing concerns of the town and which has prospects for greatly increasing its output during the current year.

OVER 1,000 TONS OF ICE. Harvested at Quinebaug Lake Friday.

About 40 men are engaged at Quin-ebaug lake in harvesting ice Friday. The work is being done under the sup ervision of Charles S. Francis and William S. Brown. From early morning until dark, ice was rushed into three of the houses Friday and at the end of the day's work it was estimated that 1,000 tons had been housed. Four houses are to be filled so the harvest will total more than 4,000 tons. The will total more than 4,000 tons. The ice is 5 inches thick and as clear as crystal—all real ice. A big field has been marked and plowed out on the lake. Work will be rushed on the fliing of the houses, but the big job probably will not be completed before Monday night. Ideal conditions for harvesting existed Friday. The weather was very propitious neither too. er was very propitious, neither too warm nor too cold. The force of men worked with right good will and there seemed to be a spirit among them to hustle up and beat out the weather man at any little game he may be contemplating tending to cheat Panielson out of plenty of good lee for next summer. No prisoners from the jail were at work at the lake Friday.

FIRST CONCERT A SUCCESS.

Large and Enthusiastic Audience Hears Choral Union-Charles D. Geer, of Norwich, Director.

There was a large and appreciative audience at the Orpheum theater Friday evening for the first concert given under the auspices of the Civic federation by Danielson's choral union of more than 100 voices, the singers including a number of persons from various surrounding towns. All of the ious surrounding towns. All of the numbers in the fine programme were well given and received generous ap-plause. The chorus sang under the direction of Professor C. D. Geer of Norwich. The solo numbers were by Miss Jefferds, soprano, of Providence. The concert was very much of a suc-cess. Net receipts from the entertainment are to go into the treasury of the Civic federation, which is doing a large amount of commendable work in

Decision for Negative. The regular meeting of the Marietia Kies Debating society of Killingly High school was held Friday. The subject of the debate was Resolved, That Electric Motive Power Is More Efficient Than Steam. The affirma-

Mr. Lassey will return to Putnam some time this year.

Vaudeville Bill a Hit. As good a vaudeville show as has ever been seen in Putnam made one of the big hits of the season at the the big hits of the season at the Bradley theatre Friday afternoon and evening. There were seven acts on the bill—Curtis all-star acts—and evening. ery one received an ovation. The big feature was the Welch American trio, songbirds all, and they received curtain call after curtain call. Joe Daniels, in very clever monologue and imitations of famous stage characters, had the house in an uproar of laughter. The other features were Marguerite Wood, singing comedienne: Mr. and Mrs. Danny Mann in a one-act rural play a headline act; Daly and Thomas, acrobats; Carter and Mack, comedy musicians, and George Stewart. The audiences were more than pleased audiences were more than pleased with all of the acts.

Concert by Clark Glee Clubs. The Clark College Glee clubs of Worcester, under the direction of W. Gray Harris, came to Putnam Friday evening to give the fourth entertainment in the winter course at the Congrega-tional church. The concert given was a very fine one and contained features that are new this season. Merrill P Paine of this city, who is a student at Clark college, sang with the clubs. Officers of Adventist Sunday School. The following are the newly elected Sunday school officers of the Adventist church: Superintendent, W. S. Ames; assistant superintendent, E. B. Kent: secretary and treasurer, G. N. Thurber; primary department, H. B. Fox; home department, superintend-ent, Mrs. Almeda Kent.

December Mortality. There were 19 deaths in Putnam

annual death rate of 18.5 per thousand. Two of the deaths were due to pneumonia and one to bronchitis. The current bulletin of the state board of health also shows that there were 10 marriages and 15 births in Putnam during the month of November.

Canterbury, Chaplin and Eastford were Windham county towns from which no deaths were reported during the month of December.

From the department of commerce, bureau of the census, clerks of school committees in town in this section are receiving requests for figures showing

receiving requests for figures showing the value of school properties in the respective towns, levies thereon for school purposes, collection of taxes and other revenues, indebtedness, etc., for each independent school district.

Fourth Quarterly Conference. District Superintendent George G. Scrivener of Norwich is to be at the Methodist church here Sunday and is to preach at the evening service at o'clock, afterwards conducting the fourth quarterly conference. First Aid Car Coming.

Next Wednesday the American Red Cross society's car will be in Putnam and arrangements are complete for the lectures that are to be delivered by the parties in charge of the car. The rendering of first aid in accident cases and in cases of sudden illness will be explained and much instructive information given to those who attend

Work on Grand Trunk Extension. Work on the construction of the Trunk extension is at Webster Monday The first work that is to be started in Webster is on the construction of cul-verts and bridges. Steam shovels are to be put in service and a large gang of men will be at work. Work on the road in the vicinity of Webster has been stopped for about a year.

Trapped Eight-Pound Fox. Raymond Chandler trapped a red fox near the Wheaton farm Friday morning which weighed eight pounds.

To Start on Business Trip. George B. Champlin has returned to Chicago after spending the holidays with his mother, Mrs. Charlotte Champlin. Mr. Champlin will soon start on a three or four months' business trip, during which he will travel through Colorado, California, Washington state, Utah and Wyoming.
